**Home Builders Association Donates \$7,500 to Rebuilding Together-St. Louis**

Home Builders Charitable Foundation (HBCF) President **Rick Sullivan** (left) and 2009 HBA President **Dan Barnard** of **Greater Missouri Builders** (right) presented a \$7,500 donation to **Lynne Rajani**, executive director of Rebuilding Together-St. Louis, on behalf of the Home Builders Charitable Foundation.

The funds will be used to offset some of the repair costs for homes on Rebuilding Together's "Rebuilding Day" on May 2, 2009. The organization's mission is to revitalize neighborhoods, in partnership with the community, by rehabilitating the houses of low-income homeowners, particularly the elderly and disabled, so that they may continue to live independently in comfort and safety.

The HBA is a local trade association of more than 1,000 member firms representing the residential construction industry. The Home Builders Charitable

Foundation, the HBA's charitable arm, is a non-profit organization dedicated to providing housing assistance to people or organization with special shelter needs.
