CUSTOM HOME CERTIFICATION:

NAHB definition of a custom home: "A custom home is built by an entity that provides a service to construct a unique home or building that meets a specific client's needs and desires." Explanation: This category does not include "customized" tract homes or luxury spec homes. The entry must be an original architectural design, individually planned and built to the specifications of the owner(s) from its inception.

A custom home is eligible for nomination within 14 months of being owner-occupied.

As the owner and builder of this custom home, we are in agreement and hereby certify that said residence conforms to the description of a custom home as defined by NAHB and explained above.

Homeowner's Signature _____ Builder's Signature _____

As the builder of the above custom home, I accept full responsibility to enter/nominate said home and show it during judging. I also agree that a photo of said home may be used in press releases, on the HBA Web site and during the HBA awards presentation with the exception of listing the exact address and price, and understand that the photo will not be published in newspapers without prior approval. I understand that the HBA shall bear no responsibility should an injury occur while on the premises of a Homer nominee.

Builder's Signature _____
