PHOTO RELEASE

**Home Builders Association Donates \$5,000 to Paraquad, Inc.**

2010 HBA President Sean Flower of Flower & Fendler, Inc. (left) presented a \$5,000 donation to Lori Flett, director of independent living for Paraquad, and Kate Thacker, development director for Paraquad, on behalf of the Home Builders Charitable Foundation.

The donation will be used to provide one disabled individual with an accessible deck on the back entrance of his home and two sets of steps with handrails on opposite sides of the deck creating a safe and easily reached entrance to the home and access to the homeowner's backyard. Paraquad's mission is to empower people with disabilities to increase their independence through choice and opportunity. Last year, Paraquad served more than 4,600 people with disabilities.

The HBA is a local trade association of more than 800 member firms representing the residential construction industry. The Home Builders Charitable Foundation, the HBA's charitable arm, is a non-profit organization dedicated to providing housing assistance to people or organizations with special shelter needs.
