**Home Builders Association Donates \$7,500 to Rebuilding Together-St. Louis**

2010 HBA President Sean Flower of Flower & Fendler, Inc. (left) presented a \$7,500 donation to Dave Ervin, executive director of Rebuilding Together-St. Louis and Laura Hurt, associate executive director of Rebuilding Together, on behalf of the Home Builders Charitable Foundation.

The donation will be used towards Rebuilding Together-St. Louis' Rebuilding Day program. Rebuilding Together revitalizes neighborhoods in partnership with the community by rehabilitating the houses of low-income homeowners, particularly the elderly and the disabled, so that they may continue to live independently in comfort and safety. Rebuilding Day is the organization's annual one-day blitz where volunteers make home repairs to the homes of low-income elderly and disabled homeowners in the St. Louis Metro area. This year Rebuilding Day is May 1.

The HBA is a local trade association of more than 800 member firms representing the residential construction industry. The Home Builders Charitable Foundation, the HBA's charitable arm, is a non-profit organization dedicated to providing housing assistance to people or organizations with special shelter needs.
