PHOTO RELEASE

**Home Builders Association Donates More Than \$11,000 to
The Women's Safe House**

2010 HBA President Sean Flower of Flower & Fendler, Inc. (left) and Home Builders Charitable Foundation (HBCF) key contributor and The Women's Safe House board member Dave Dunlap of Consolidated Design & Construction Group presented an \$11,250 donation to Sylvia J. Jackson, executive director of The Women's Safe House (second from left), and Jennifer Bush, development director of The Women's Safe House, on behalf of the HBCF.

The donation will be used to make repairs and help with preventative maintenance to the roof and guttering/drainage system of The Women's Safe House (TWSH). TWSH provides short-term emergency shelter for battered women and children in the immediate aftermath of domestic abuse. Founded in 1977, TWSH is St. Louis' oldest and largest emergency domestic abuse shelter (50 beds) providing refuge for victims of domestic violence and their children.

The HBA is a local trade association of more than 800 member firms representing the residential construction industry. The Home Builders Charitable Foundation, the HBA's charitable arm, is a non-profit organization dedicated to providing housing assistance to people or organizations with special shelter needs.
