Home Builders Association Donates \$7,500 to St. Vincent Home for Children

2009 HBA President **Dan Barnard** of **Greater Missouri Builders** (left) presented a \$7,500 donation to **Lee Ann Taylor**, executive director of St. Vincent Home for Children, on behalf of the Home Builders Charitable Foundation.

The funds will help offset the cost of replacing the roof of the building that houses St. Vincent's Emergency Shelter Program (ESP) residents. St. Vincent Home for Children is a residential treatment center for victims of abuse and neglect, ages 6-18. St. Vincent provides quality housing and comfortable living quarters where the children can feel safe and secure.

The HBA is a local trade association of nearly 1,000 member firms representing the residential construction industry. The Home Builders Charitable Foundation, the HBA's charitable arm, is a non-profit organization dedicated to providing housing assistance to people or organization with special shelter needs.
