

2002 BRAVO winners

For years, HBA builders have created beautiful neighborhoods throughout the Greater St. Louis area. Neighbors have watched those communities develop from barren land into safe and secure homes to raise families. In an effort to show what happens as communities “grow up,” the HBA developed the **BRAVO Awards – Best Residential And Value Opportunities**.

This award recognized the long-term contributions of HBA builders to the St. Louis area.

There are five categories: Starter Homes, Move-Up Homes, Luxury Homes, Multi-Builder Community and Multi-Price community. Communities must be between five and fifteen years old and ninety percent complete. More than one entry can win in each category.

Judging is based on style and condition of the subdivision, the streetscape, re-sale values, use of trees and how the neighborhood benefited the surrounding community.
