

Home Builders Association Donates \$10,000 to Little Sisters of the Poor

2009 HBA President **Dan Barnard** of **Greater Missouri Builders** (left) and Home Builders Charitable Foundation (HBCF) contributor **Jim Rolwes** of **Rolwes Homes** (right) presented a \$10,000 donation to **Sister Marguerite, I.S.P.**, of Little Sisters of the Poor, on behalf of the Home Builders Charitable Foundation.

The donation will be used to repair a roof on an apartment building operated by Little Sisters of the Poor. Since 1869, Little Sisters of the Poor have cared for thousands of St. Louis's needy elderly, offering them a home in which they can feel a sense of respect, safety and love as they journey toward eternal life. The organization operates independent "home" living, senior apartments, nursing care and a senior center.

The HBA is a local trade association of more than 1,000 member firms representing the residential construction industry. The Home Builders Charitable Foundation, the HBA's charitable arm, is a non-profit organization dedicated to providing housing assistance to people or organization with special shelter needs.
