**Home Builders Association Donates \$5,000 to Rainbow Village Properties**

2010 HBA President **Sean Flower** of **Flower & Fendler, Inc.** (left) presented a \$5,000 donation to **Mike Rea**, director of development for Rainbow Village Properties, on behalf of the Home Builders Charitable Foundation.

The donation will be used at a Rainbow Village-owned home in St. Charles, Mo., to replace a cracked and sinking concrete driveway. The driveway is now a safety hazard for the residents living at the home – two of which use wheelchairs. It is also a trip hazard for the third roommate and support staff. The goal of Rainbow Village is to provide long-term safe, comfortable and affordable neighborhood homes for adults with developmental disabilities.

The HBA is a local trade association of more than 800 member firms representing the residential construction industry. The Home Builders Charitable Foundation, the HBA's charitable arm, is a non-profit organization dedicated to providing housing assistance to people or organizations with special shelter needs.
