PHOTO RELEASE

Home Builders Association Donates \$7,500 to St. Vincent Home for Children

2010 HBA President **Sean Flower** of **Flower & Fendler, Inc.** (left) presented a \$7,500 donation to **Lee Ann Taylor**, executive director of St. Vincent Home for Children, on behalf of the Home Builders Charitable Foundation.

The funds will help offset the cost of replacing the roof of the building that houses St. Vincent's Transitional Living Program residents. The deterioration of the roof due to water leakage poses a potential health hazard to residents and staff with upper respiratory conditions. St. Vincent Home for Children is a residential treatment center for victims of abuse and neglect, ages 6-18. St. Vincent provides quality housing and comfortable living quarters where the children can feel safe and secure. St. Vincent Home for Children is celebrating its 160 year anniversary.

The HBA is a local trade association of more than 800 member firms representing the residential construction industry. The Home Builders Charitable Foundation, the HBA's charitable arm, is a non-profit organization dedicated to providing housing assistance to people or organizations with special shelter needs.
