Updated: September 8, 2017

Applying for membership in the Home Builders Association of St. Louis and Eastern Missouri (HBA) is easy. Your single payment also makes you a member of the National Association of Home Builders (NAHB). If you have questions, please contact Diana Forbes at the HBA at 314-817-5633 or ForbesD@hbastl.com.

Step 1: Select your member type.

Builder Member **\$575 annual dues**

Individuals or companies constructing or remodeling homes, developing light commercial projects or developing land. All Builder members are required to pay quarterly assessment fees to the HBA (you will be invoiced accordingly at \$30 per new home permit) or contribute an equal amount to the Home Building Industry Advancement Fund. This member type is also eligible to receive one free HBA council membership (\$75 - \$95 value).*

Associate Member **\$525 annual dues**

Individuals or companies that manufacture or provide products and services for members of the home building industry.

If your employer is already an HBA member, you are eligible for following categories:

Multi-Member **\$395 annual dues**
