

# Building Permit Subscription Request

The HBA Building Permit Report is available to HBA members for an annual subscription fee. The permit information is gathered from over 75 municipalities in the Missouri counties of: St. Louis, St. Charles, Jefferson, Franklin, Lincoln, and Warren and the City of St. Louis. The monthly reports summarize: builder name, type of permit (single family detached, attached or multifamily), how many units, in which municipality, subdivision name and estimated construction costs. Also included in the annual subscription fee is a year-end report which provides an overview of how many building permits a builder pulled, in which county, the type of permit and the average estimated construction costs.

To order your annual subscription or a single report, please complete the information below and remit payment with this form. All requests must be paid in advance - **payment must accompany this subscription form.**

*The subscription fees below are valid for St. Louis HBA Members only. If your membership lapses or is cancelled, your permit subscription becomes inactive immediately and no refund or difference in a refund will be given. In the event that this may happen and you wish to continue your subscription, it will be your responsibility to notify the HBA of your request and you will be liable to pay the difference of the member vs. non-member subscription fees - non-member fees for an annual subscription (via email) is \$550, a single month report is \$100 and year-end report is \$400.*
