Judging

Personal Achievement submissions are judged on a 100-point system. Should the situation occur where there is only one entry in a Personal Achievement category, 70 points would qualify as a winning entry without competition. The HBA reserves the right to eliminate any category due to insufficient entries or where the quality of work does not warrant a winner. There are no ties in a category. A definitive winner will be picked by the judges.

Applicant is judged on number of communities involved in (20 points), primary job duties (20 points), above and beyond tasks performed (20 points), professional development (15 points), community involvement (10 points), and letter(s) of recommendation from salesperson(s) assisted (15 points).
