Judging

Personal Achievement submissions are judged on a 100-point system. Should the situation occur where there is only one entry in a Personal Achievement category, 70 points would qualify as a winning entry without competition. The HBA reserves the right to eliminate any category due to insufficient entries or where the quality of work does not warrant a winner. There are no ties in a category. A definitive winner will be picked by the judges.

Applicant is judged on primary job functions performed (15 points), above and beyond tasks performed (20 points), role in sales success of company (20 points), professional improvement (15 points), community involvement (10 points), letter(s) of recommendation from colleague and/or homeowner (20 points).

Entries are categorized by builders and remodelers.
